

# Moving with Suprpto Suryodarmo (Prapto) Thursday 28<sup>th</sup> June ~ OPEN DAY

## Sharing movement, short performances & other movement work in Wootton Fitzpaine and at Westhay Farm, Charmouth

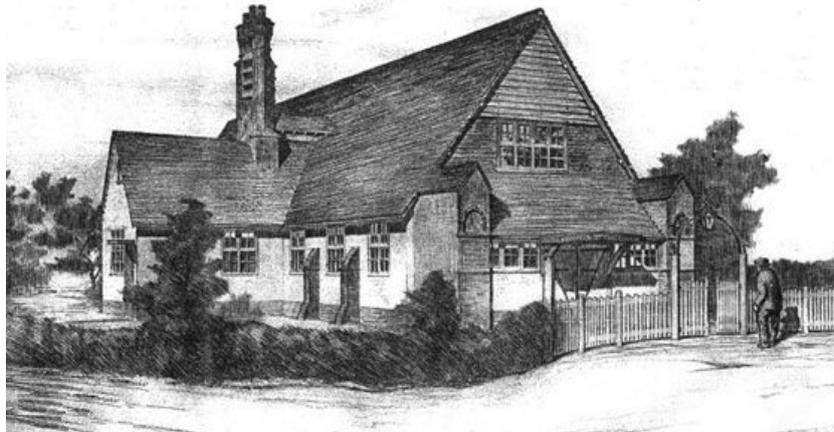

Sixteen people have been working with Javanese movement artist and teacher Suprpto Suryodarmo (Prapto) over the last week. They have been exploring – in movement – his approach to the evolution of the creative process. In particular, they have been exploring creativity in terms of ‘impulse/expression’ and ‘organisation’. They have also worked with the idea that ‘sitting has movement’ and watering cans.

Westhay Farm is the home of **Move into Life** with Sandra Reeve. **Move into Life** offers a way to transform our attitudes and values through environmental movement art.

### Thursday 28<sup>th</sup> June ~ 2.00-5.00pm – at Westhay Farm DT6 6SD
