Web Art Garden, conceived in 1997 by Suprpto Suryodarmo of Java, Indonesia, encourages annual participation in 5th June World Environment Day through the creation of artistic events.

You are welcome to create a 2020 event in your region that reflects your approach to art, culture, and environment. Afterwards a few images and a maximum 250-word reflection can be featured on the **Web Art Garden website**.

Please send by email to: <hels19@hotmail.com>

With best wishes,
2020 Facilitators: Helen Edwards and Keith Miller
